

CHARIS PASPALLIS

CHARIS PASPALLIS is a Cypriot artist based in Cyprus. He was born in Paphos in 1977. He graduated from the School of Fine Arts (1997-2002), in Athens, Greece, under the supervision of T. Patraskides and D. Mitaras. His work is based on the concept of change. Earth, nature and man's respect for his environment is the main theme, investigated through the ways humanity can change or even destroy Mother Nature with wars, violence and envy.

" Could creativity exist within chaos?

Chaos, darkness and anarchy; Components of the modern society.

The instability and bombardment caused daily by social media leads to dead ends; yet at these occasions new vents are created. Across hopeless situations there is always a dim of light.

The piece composed presages the expected peace and stability that becomes a foundation of people's growth and prosperity. A combination of collage and a written synthesis are developed in the composition to deliver the end result".
